Illegall Bangladeshis in India

192. SHRI SHIBU SOREN: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the special task force has reported presence of one crore and eighty lakh illegal Bangladeshi migrants settled in India, out of which 1.20 crores are in West Bengal alone;

(b) if so, the details thereof, State-wise; and

(c) what action is being taken/has been taken to repatriate those illegal settlers from the country?

(c) A series of measures have been taken by the Government to curb the problem of infiltration of Bangladeshi nationals into India. These include raising of additional Battalions of Border Security Force, reduction of gaps between the border outposts, intensification of patrolling both on the land and the riverine border, accelerated programme of construction of border roads and fencing, increase in the number of outpost towers, provision of surveillance equipment etc. The matter has also been taken up with the Government of Bangladesh on various occasions. The progress of these measures is reviewed regularly at various levels. State Governments and Union Territory Administrations have also been directed to enforce the provisions of the Foreigners Act, 1946 (IMDT Act 1983 in case of Assam) strictly.
